Ricky Martin wants a daughter!

Singer Ricky Martin, who announced last year that he is gay, wants a daughter this year. The 40-year-old became the father of twin boys Matteo and Valentino through a surrogate mother in August 2008 and now he's keen to have a daughter. "I think that I'll do it later on this year, so that (the kids) are not too far apart in ages. (I'd like) a little girl," contactmusic.com quoted Martin as saying. Also, he admits he has put plans to wed his partner Carlos Gonzalez Abella on hold.

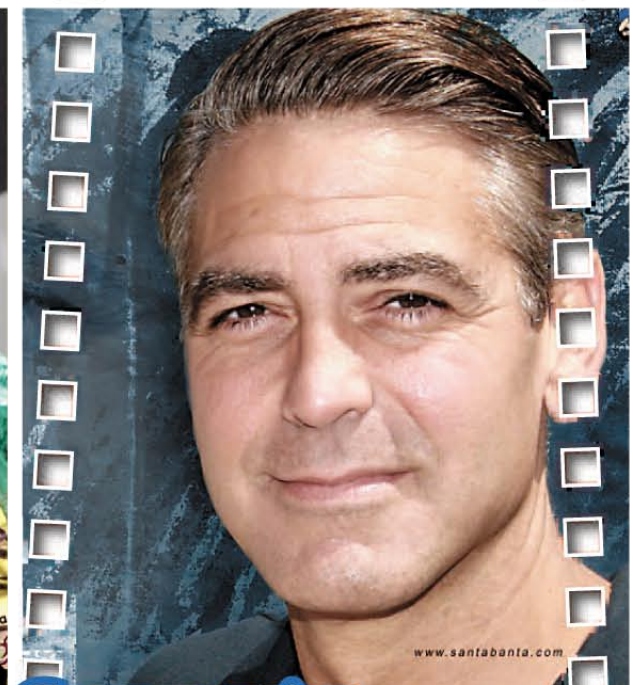

Krrish sequel delayed again?

Apparently Rakesh Roshan is taking it slow because of Hrithik's health issues. It's been a tough few months for Hrithik 'superhero' Roshan. A knee injury, a hand injury and the worst of all, his slip disc has been giving the actor sleepless nights. However even though he has been training rigorously for the Krrish sequel, he has been apparently advised to take it slow before he starts shooting hardcore action sequences. Result? The film that has already seen too many changes in cast and schedule may be pushed further.

Priyanka-SRK romance rumour

Actress-turned-jewellery designer Neelam Kothari has cleared the air about her alleged role in spreading rumours about Priyanka Chopra and Shah Rukh Khan. It was reported that Priyanka was miffed with Neelam for spreading false news about her affair with King Khan. It was also claimed that Priyanka and Neelam had an ugly spat over the same issue. Neelam took to Twitter to clarify her role. "Don't know how to react to a certain article that has come out today, claiming that I am responsible for starting certain rumours. I'm shocked and hurt with these allegations. This is the first time in the whole of my career I have been dragged into a controversy. Not fair at all!! Gauri and Sharukh happen to be my dear friends and will continue to be so.. Would never say anything derogatory about them," Neelam tweeted.
